# STUDENTS POSTER SESSION!

THURSDAY, 2 JUNE | 10:00 → 11:00

SIA invites students to present their work - results from projects carried out at school/university or during internships - on posters that will be displayed in the exhibition area. The proposed posters should address any topics related to the engine and powertrain, including hybrid and fully electric drive trains.

Don't miss this excellent opportunity to discuss your work with professional engineers and become more active and visible in the automotive engineering community!

## JURY MEMBERS

Philippe BERNET, RENAULT

Sébastien POTTEAU, VALEO

Vincent ROSENSTHIEL, AVL-LMM

Erwann SAMSON, PSA PEUGEOT CITROËN

Rémy SCHMITT, ROBERT BOSCH

If you are interested in submitting a poster, register online on:

[www.sia.fr](http://www.sia.fr)

## BEST STUDENT POSTER AWARDS

- All the posters will be displayed in the exhibition area all day long and will be visited by many attendees at the conference.
- Posters will be evaluated by a jury of powertrain experts 2 weeks before the conference. The authors of the 6 best posters will be asked to give an oral overview of their poster to the jury in 5 minutes, on Thursday 2 June, from 10:00 to 11:00.
- A trophy and a prize will be offered to the authors of the 3 best posters, during an award ceremony.

## FREE OF CHARGE!

Participation in the poster session is free of charge for the students and their supporting lecturer. Both get free access on 2 June from 08:30 to 15:45 (conferences and exhibition included).

## POSTER PROPOSAL SUBMISSION PROCESS

- The deadline for abstract submission is Friday 15 April 2016.
- Notification of acceptance or rejection will be sent by Friday 29 April 2016.
- The final posters must be submitted electronically (pdf) by Saturday 14 May 2016.
- The authors of the 6 top posters will be notified by Friday 27 May 2016.

# STUDENTS FORUM!

THURSDAY, 2 JUNE | 14:00 → 15:45

One of the key roles of SIA is to promote the automotive industry as a career of choice for young engineers. We give you the opportunity to meet with experts of the automotive industry, who will be happy to share their knowledge and experience, and inform you about your opportunities at the beginning of your career.

## STUDENTS FORUM: 0 € IF YOU SEND YOUR RESUME!

On Thursday 2 June afternoon, exhibiting companies will welcome you to their booths to discuss automotive industry's career opportunities and your expectations.

You will have the opportunity to meet face to face with powertrain experts and representatives from the human resources departments of different companies to discuss your career entry options and their job vacancies covering internships, student jobs, trainee programmes as well as immediate job opportunities.

Your resume will be sent to our partner companies before the Students Forum.

With the support of the IFP School
