# Web App : Speakers

The speaker's lecture will appear on the right side of your screen.

You can **rate your favorite presentations with stars.**

The screenshot shows the SIA Powertrain & Energy app interface. On the left is a navigation menu with options: Home, Access our Lectures, Speakers, Exhibitors, Attendees, Private messages, PDF presentations, Proceedings, and How to use the platform. The main content area displays the profile of YUGO Marta, a speaker for CONCAWE. Her profile includes a circular photo, a five-star rating (circled in red), and her name and affiliation. Below this is a bio: "Marta Yugo, Concawe (on behalf of the JEC) + Science Executive Economics & Modelling (Energy & CO2)" and a paragraph describing her responsibilities. On the right, under "Access our Lectures", a lecture titled "KEYNOTE 1 - New European fuel and powertrain Well-to-Wheels Study // Marta YUGO - Concawe Science Executive for Economics & Modelling in the fields of CO2 and Energy" is listed for 16/11/2020, with a duration of 00:01 - 00:04 (circled in red).
